Subject: Conditional Approval, Amendment to Update MRP, PacifiCorp, Deer Creek Mine, Permit C/015/0018, Task ID #3613

Dear Mr. Fleck:

The above-referenced amendment to the Deer Creek Mine MRP has been reviewed and is conditionally approved upon receipt of 8 clean copies prepared for incorporation, accompanied by the appropriate C1/C2 forms. Please submit these copies by November 3, 2010. Once the Division receives these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Division's Technical Analysis or CHIA determination.

If you have any questions, please feel free to call me at (801) 538-5262.

Sincerely,

James D. Smith
Permit Supervisor
